**** Professional Camp Directors with many years of experience in music education ****

**** Highly qualified counseling staff for campers 17 and under ****

Testimonials from MWROC 2012:

It was so nice to be in a place... where everyone supports each other, is positive, and has the passion for music just as I do. I've been to many camps/workshops, but this one is different. My only hope is that one day I can influence the lives of others as you have influenced me. **You ... made us want to ... break down another layer of that barrier holding us back from greatness.**

~ Lacie (educator/camper)

All of the students are truly blessed with the priceless gift of being able to learn from the most talented musicians on the planet! I know Kevin's life will forever be influenced by his experiences at MWROC! **A huge thanks to Mark Wood all for giving the artists of tomorrow this amazing opportunity!!!** ~ **Michelle (parent of camper)**

Thank you to the faculty for teaching us the things that will stay in our musical vocabulary for the rest of our lives and that will guide us to our musical successes. You have shown me both how to sing and feel it and how to POUR my heart and soul into the sound that is coming from my instrument... ~ **Abby (student/camper)**

I feel like the luckiest guy on earth to be able to go to a place like MWROC, work with such an amazing cast of colleagues who I have an equally deep love and admiration for, and to teach and be inspired by so many incredible and talented students.

~ Joe Deninzon (faculty)
